Slightly more encouraging
than Steve Rinella's response. p

OK, will do.

BTW: I sent your "priority request" memo to our WO Withdrawal Coordinator. She asked me to upload it into the DTS package so all reviewers will have it. Unfortunately, she cautioned me that the docket is very full and there are numerous reviewers that have to sign off on PLO packages both at BLM and DOI - so even with priority it may not be possible to publish the PLO prior to the end of August. I wish I could provide more optimistic news.

Respectfully,
